Moderato.

KEY G.

There's a hap-py lit-tle man, Who makes us happy as well,  
When he throws his custard pies, Just hear the kiddies all shout,

*ad lib.*

Yes, Sir. Yes, Sir. He's a real big yell. His bag-gy pants, and bowl-er hat, And  
"Look! Mam, Look! Mam, Char-lie's knock'd 'em out!" See him dodge the pliceman When they

cane are known to fame, Yes, Sir. Yes, Sir. Chap-lin is his name.  
chase him down the street, Yes, Mam. Yes, Mam. He beats 'em with his feet.

**CHORUS**

Sunshine Charlie, Sunshine Charlie, How do you do?..... Hats off to you,..... Sunshine

*p-f*

Charlie..... Ev'ry antic drives us frantic with sheer delight, Till it's "Good-night,

..... Sunshine Charlie"..... You bring joy to lips so bad-ly needing a smile,

Your fun-ny style..... makes us big kids for a while; Un-der-neath your make-up you've a

heart that beats true, Hats off to you,..... Sunshine Charlie.....
